

High-energy seminars for nursing professionals!

Deborah Dlugose, RN, CCRN, CRNA, specializes in dynamic presentations which are tailored to the educational needs of her nursing audience:

- The latest clinical knowledge and expertise
- Positive and practical application to nursing clinical practice
- Personal and professional goal-directed action strategies
- Plenty of humor and laughter!

Her down-to-earth teaching style is based on thirty years of intensive clinical practice, solid educational preparation, and professional communication skills.

Clinical, physiological and pharmacological principles are emphasized in an interactive teaching style which engages participants and gives them a highly-focused educational experience.

Deborah weaves the threads of personal and professional empowerment through all of her seminars, enriching clinical content with an added bonus to revitalize participants.

If you are looking for a fast-paced seminar day jam-packed with all the information you need as well as personal and professional re-inspiration, Deborah is the speaker for you!
